FABRIKAS  RESTORĀNS

WINE LIST

Šī vīnu karte ir veidota kā dabisks mūsu restorāna virtuves un kopējās koncepcijas turpinājums. Tās pamatā ir klasiskie Vecās pasaules vīna reģioni – Francija, Itālija, Spānija, Vācija un Austrija. Galvenais uzsvars likts uz atpazīstamiem, gastronomiskiem un laika pārbaudītiem vīna stiliem, kas lieliski sader ar mūsu ēdienkarti.

Vienlaikus vīnu karte neaprobežojas tikai ar klasiku. To papildina kompakta un rūpīgi atlasīta Jaunās pasaules vīnu izlase, kā arī neliels moderno dabisko un minimālas iejaukšanās (low-intervention) vīnu piedāvājums. Tas ļauj saglabāt līdzsvaru starp restorānu vīnu klasiku un mūsdienu vīna kultūras tendencēm.

Mans, kā galvenā vīnziņa mērķis bija, izveidot lakonisku, pārdomātu un viegli pārskatāmu vīnu karti, kurā ikviens viesis – no vienkārša vīna baudītāja līdz pieredzējušam profesionālim – var atrast sev piemērotu un interesantu vīnu.

This wine list was created as a natural extension of our restaurant's cuisine and overall concept. Its core is built around classic Old World regions, including France, Italy, Spain, Germany and Austria. The focus is on recognizable, gastronomic and time-tested styles that pair well with our menu.

At the same time, the list is not limited to classic wines only. It is complemented by a compact and carefully selected range of New World wines, as well as a small selection of modern natural and low-intervention wines. This allows the list to maintain a balance between established restaurant classics and current trends in wine culture.

As head sommelier, my goal was to create a short, focused and easy-to-navigate wine list, where every guest - from a casual wine lover to an experienced professional - can find a suitable and interesting bottle.
