SÕNAS / IN WORDS

Iga pudel Fotografiskas räägib oma lugu. Mõne neist oleme ise kodumaale toonud, mõne päästnud väärikas vanuses kangelaste seast ja mõne leidnud paikadest, kuhu uudishimu meid parasjagu viinud on. Meie joogikaart liigub samas rütmis köögiga – teadlikult, jätkusuutlikult ja aastaaegadega kaasa. Mõni valik on klassika, mõni veidi ootamatu. Mõni selline, mida mujalt naljalt ei leia.
Üllatusi leidub ka. Aga kõike ei pea ju ette ära rääkima...

Every bottle at Fotografiska has a story to tell. Some we've brought home ourselves, some we've rescued as gracefully aged heroes, and others we've discovered in places our curiosity has taken us. Our drinks list moves to the same rhythm as our kitchen – consciously, sustainably, and with the seasons. Some choices are classics, others a little unexpected. And some you'd be hard-pressed to find anywhere else.
There are surprises, too. We'll leave those for you to discover...

EESTI VEIN / ESTONIAN WINE

Sajanditevanusest traditsioonist inspireerituna tähistavad Eesti puuviljaveinid põhjamaise aia- ja metsasaagi rikkust. Hoolikalt kohalikest puuviljadest ja marjadest valmistatuna peegeldavad need puhtust, täpsust ning Eesti jaheda kliima ja vahelduvate aastaaegade ainulaadset iseloomu.

//

Inspired by a centuries-old tradition, Estonian fruit wines celebrate the richness of northern orchards and forests. Meticulously crafted from local fruits and berries, they offer purity, precision, and a distinctive expression of Estonia's cool climate and changing seasons.
