

This list is organized to take you through both iconic and lesser-known appellations, from world-famous classics to rare indigenous grapes. From North to South, from Old to New world jewels. Each wine here was made by remarkable people for equally remarkable and curious ones.

Every bottle is a reflection of its terroir, a mirror of its winemaker, and one more reason to discover something new today.

At Oecumene, wine is just the beginning: of conversations, exploration, a delicious, beautiful, and safe way to expand your world, your personal oecumene.

Šis vyno sąrašas kviečia atrasti garsias ir mažiau pažįstamas apeliacijas – nuo pasaulinės klasikos iki retų vietinių vynuogių veislių. Iš šiaurės į pietus, nuo Senojo iki Naujojo pasaulio atradimų. Kiekvieną čia esantį vyną sukūrė išskirtiniai žmonės – tokiems pat išskirtiniams ir smalsiems žmonėms.

Kiekvienas butelis yra savo terroir atspindys, vyndario veidrodis ir dar viena priežastis šiandien atrasti kažką naujo.

Oecumene vynas yra tik pradžia: pokalbių, tyrinėjimų ir gardaus, gražaus bei saugaus būdo praplėsti savo pasaulį — savo asmeninę oikumeną.
